

I.A.A.S.  
8th International Congress  
on Ambulatory Surgery

# *The Destiny of Day Surgery*

• Brisbane, Queensland, Australia 3 – 6 July 2009

## *Final Program*

Proudly Supported by

In conjunction with the  
Society for Ambulatory Anesthesia

## Friday 3 July 2009

### PRE CONGRESS WORKSHOPS/SESSIONS

Delegates must be registered to attend these Workshops/Sessions

- 10.30am - 12.30pm **WORKSHOP 1**  
Room: P3 **Airway Management for Nurses**  
Venue: Brisbane Convention & Exhibition Centre
- 10.30am – 3.30pm **WORKSHOP 2**  
Room: M1 **Medico-legal Issues - Discharge, Consent and Duty of Care – General Session**  
Presenters: Peter Henderson and Marianna Kelly  
Venue: Brisbane Convention & Exhibition Centre  
Lunch provided for session participants from 12.30pm – 1.30pm.
- 10.30am – 12.30pm **WORKSHOP 3**  
Room: M5 **Waiting Lists in the United Kingdom - Lessons Learned**  
Presented by Ian Jackson, British Association of Day Surgery  
Venue: Brisbane Convention & Exhibition Centre
- 4.00pm – 5.30pm **OPENING CEREMONY**  
Room: Great Hall 1 Welcome to all Congress participants
- NICOLL LECTURE**  
Jill Solly (United Kingdom)
- 5.30pm – 7.30pm **CURA DAY HOSPITALS GROUP WELCOME COCKTAIL RECEPTION**  
Room: Great Hall 3 & 4 Industry Exhibition

Sponsored by  
Avant Mutual Group

## Saturday 4 July 2009

- 8.30am – 10.30am **PLENARY**  
Room: Great Hall 1 **Ambulatory Surgery in the Future – Models and Controversies**  
Chair: Claus Toftgaard (Denmark) and Elliot Rubinstein (Australia)
- 8.30am Day surgery centres/units – free standing or intra-hospital. Is there a preferred model?  
Douglas McWhinnie (United Kingdom)
- 8.50am Emergency operations in day surgery centres/units  
Raafat Hannallah (United States of America)
- 9.10am Day maternity units supported by maternity motels – is this an option?  
Allison Carr (Australia)
- 9.30am Outsourcing day care for public patients  
Paul Jarrett (United Kingdom)
- 9.50am Ownership models across the globe  
John Fox (Australia)
- 10.10am Questions
- 10.30am – 11.00am **Morning Tea with the Industry** Great Hall 3 & 4
- 11.00am – 12.30pm **CONCURRENT SESSION – SURGICAL**  
Room: M2 **Major Abdominal and Pelvic Operations**  
Chair: Dick de Jong (The Netherlands) and William Mackie (Australia)
- 11.00am Laparoscopic cholecystectomy at a unit of ambulatory surgery  
Fernando Docobo Durantez (Spain)
- 11.15am Laparoscopic abdomino – vaginal hysterectomy – a 23 hour day surgery operation?  
David Molloy (Australia)
- 11.30am Day surgery treatment of benign prostatic hypertrophy  
Henry Woo (Australia)
- 11.45am Major colorectal procedures  
Andrew Stevenson (Australia)
- 12 noon Female incontinence/vaginal repair operations in day surgery  
Samantha Pillay (Australia)
- 12.15pm Questions

People caring for people   
Sponsored by  
Ramsay Health Care

# Program

## Saturday 4 July 2009 (cont.)

11.00am – 12.30pm	<b>CONCURRENT SESSION – ANAESTHETICS</b>
Room: Great Hall 2	Chair: Jan Eshuis (The Netherlands) and Tony Bergin (Australia)
11.00am	Magic bullets? New sedative drugs and techniques Beverly Philip (United States of America)
11.25am	Preoperative evaluation of the coronary patient Maria Janecsko (Hungary)
11.50am	Paediatric postoperative pain management Raafat Hannallah (United States of America)
12.15pm	Questions
11.00am – 12.30pm	<b>CONCURRENT SESSION – NURSING</b>
Room: Great Hall 1	Challenges: how do we Manage our Patient's Anxiety?
	Chair: Jill Solly (United Kingdom) and Maralyn Masters (Australia)
11.00am	Managing anxiety for patients who are unconscious during their procedure Mark Mitchell (United Kingdom)
11.30am	Preparing children for ambulatory anaesthesia Peter Ahlburg (Denmark)
11.45am	Managing anxiety for patients who are conscious during their procedure Mark Mitchell (United Kingdom)
12.15pm	Panel Questions - Mark Mitchell (United Kingdom) - Peter Ahlburg (Denmark) - Ziska de Jong (The Netherlands)
11.00am – 12.30pm	<b>CONCURRENT SESSION – MANAGEMENT</b>
Room: M3	Insurance Issues and Improving Patient Flow
	Chair: Robert Williams (United States of America) and Jo Tier (Australia)
11.00am	Insurance issues for day hospitals Iain Birtwhistle (Australia)
11.20am	Reconfiguring day hospitals to improve patient flow Peter Bertram (Australia)
11.40am	Efficiencies and patient flow in day surgery Ralph de Plater (Australia)
12 noon	Organising the operation program in a one day centre on the campus of a general hospital recently fused Luc Van Outryve (Belgium)
12.20pm	Panel Questions
12.30pm – 1.30pm	<b>Lunch with the Industry</b> Great Hall 3 & 4
1.30pm – 3.00pm	<b>CONCURRENT SESSION – SURGICAL</b>
Room: M2	Orthopaedic, Hand and Plastic Surgery
	Chair: Jacky Reydelet (Germany) and Joe Ghabrial (Australia)
1.30pm	Operation for lumbar disc prolapse on an outpatient basis Peter Ahlburg (Denmark)
1.45pm	Major joint reconstructions in day surgery – what is the limit? John Fox (Australia)
2.00pm	Fractures and dislocations – can these be treated in day surgery?
2.15pm	Hand trauma in day surgery Randall Sach (Australia)
2.30pm	Body contouring in day surgery Hugh Bartholomeusz (Australia)
2.45pm	Questions

**Baxter**  
Sponsored by  
Baxter Healthcare

## Saturday 4 July 2009 (cont.)

- 1.30pm – 3.00pm **CONCURRENT SESSION – ANAESTHETICS**  
Room: Great Hall 2  
Chair: Beverly Philip (United States of America) and Raafat Hannallah (United States of America)
- 1.30pm 23 hour day surgery  
Ian Jackson (United Kingdom)
- 1.50pm Anaesthesia considerations for Robot-assisted prostatectomy and hysterectomy  
James Philip (United States of America)
- 2.10pm Postoperative pain management in adults  
Anil Gupta (Sweden)
- 2.30pm Noncardiac surgery for patients with coronary artery stents  
Tina Leung (United States of America)
- 2.50pm Questions
- 1.30pm – 3.00pm **CONCURRENT SESSION – NURSING**  
Room: Great Hall 1  
Challenges: Nurses and Their Research  
Chair: Mark Mitchell (United Kingdom) and Celia Leary (Australia)
- 1.30pm Effective preadmission and preparation  
Marilyn Richardson-Tench (Australia)
- 1.45pm Pain management: the teamwork of anaesthetist, nurse of the day surgery division and recovery staff  
Alberta Bettine (The Netherlands)
- 2.00pm Post discharge nausea and vomiting (PDNV) in ambulatory surgical patients: incidence and management strategies  
Jan Odom-Forren (United States of America)
- 2.15pm Criteria-led discharge for short stay surgical patients  
Claire Kennedy (Australia)
- 2.30pm The realities of evacuating theatre and why didn't the alarms go off?  
Nicky van Praagh (New Zealand)
- 2.45pm Questions
- 1.30pm – 3.00pm **CONCURRENT SESSION – MANAGEMENT**  
Room: M3  
Managing Workforce in a Changing Environment  
Chair: Carlo Castoro (Italy) and Elizabeth Rankin (Australia)  
Re-engineering skillmix in the day surgery operating suite – challenges and opportunities
- 1.30pm Nurse endoscopy  
Lynn Rapley (Australia)
- 1.50pm The role of the ophthalmic assistant in ophthalmic day surgery  
Ana Alexandratos (Australia)
- 2.05pm Nurse led ambulatory hysteroscopy in the UK – a more efficient and cost effective service  
Janet Smith (United Kingdom)
- 2.25pm Panel Discussion –  
Challenges for managers in utilising technicians rather than nurses in ambulatory settings  
- Wendy Adams (Australia)  
- Elizabeth Rankin (Australia)
- 2.45pm Clinical pathways – new roles in day surgery  
Paul Baskerville (United Kingdom)
- 1.30pm - 3.00pm **CONCURRENT SESSION – COMBINED**  
Room: M1  
Chair: Guy Bazin (France) and Darcy Economos (Australia)
- 1.30pm Our experience in ambulatory treatment of laparoscopic cholecystectomy  
Veroljub Pejicic (Serbia)
- 1.42pm A pilot randomised controlled trial comparing day surgery and inpatient surgery for breast cancer  
Sekhar Marla (United Kingdom)
- 1.54pm Day surgery treatment for early glottic cancer: a safe option  
Matthew Broadhurst (Australia)
- 2.06pm Does higher surgical/anaesthetic risk imply higher admission rate in an ambulatory surgery unit?  
Ines Bessa (Portugal)

# Program

## Saturday 4 July 2009 (cont.)

- 2.18pm Evaluation of delayed discharge following day surgery at Gateway Surgical Centre, London  
Farheen Zulfiquer (United Kingdom)
- 2.30pm Questions
- 3.00pm – 3.30pm **Afternoon Tea with the Industry** Great Hall 3 & 4
- 3.30pm – 5.00pm **PLENARY**  
Room: Great Hall 1  
**Risk Management in Ambulatory/Day Surgery Centres**  
Chair: Gerard Parmentier (France) and Lucy Fisher (Australia)
- 3.30pm Documentation and day care medico-legal aspects in India  
Reena Jatin Wani (India)
- 3.50pm Risk Management  
Marianna Kelly (Australia)
- 4.10pm What can day surgery learn from the airline industry and pilot training?  
Paul Baskerville (United Kingdom)
- 4.30pm Medicolegal issues for the ambulatory anaesthesiologist  
Kathryn McGoldrick (United States of America)
- 4.50pm Questions
- 7.00pm – 11.00pm **Congress Dinner**  
Plaza Ballroom, Brisbane Convention and Exhibition Centre

## Sunday 5 July 2009

- 8.30am – 10.30am **PLENARY**  
Room: Great Hall 1  
**Worldwide Expansion of Ambulatory Surgery**  
Chair: Paulo Lemos (Portugal) and Randall Sach (Australia)
- 8.30am Italy leads the way in European ambulatory surgery initiatives  
Carlo Castoro (Italy)
- 8.50am Ambulatory surgery: the Hungarian experience  
Gamal Mohamed (Hungary)
- 9.10am Progress of ambulatory surgery in India  
Naresh Row Tadepalli (India)
- 9.30am Expansion of day surgery in South-East Asia  
James Kong (Hong Kong)
- 9.50am What are the limiting factors for the future expansion of day surgery?  
Ian Jackson (United Kingdom)
- 10.10am Questions
- 10.30am – 11.00am **Morning Tea with the Industry** Great Hall 3 & 4

- 11.00am – 12.30pm **CONCURRENT SESSION – SAMBA**  
Room: Great Hall 2  
**Presented by SAMBA (Society for Ambulatory Anesthesia)**  
Chair: T J Gan (United States of America) and Tony Bergin (Australia)
- 11.00am Introduction / Welcome  
T J Gan, Samba President (United States of America)
- 11.10am Paediatric selection challenges  
Raafat Hannallah (United States of America)
- 11.30am Geriatric outpatient surgery selection challenges  
Kathryn McGoldrick (United States of America)
- 11.50am Obstructive sleep apnea patients for laparoscopic bariatric surgery  
Girish Joshi (United States of America)
- 12.10pm Questions

## Sunday 5 July 2009 (cont.)

11.00am – 12.30pm  
Room: M2

### CONCURRENT SESSION – SURGICAL Ophthalmology, ENT and Facio-maxillary

Chair: Paul Baskerville (United Kingdom) and Richard Smith (Australia)

- 11.00am Recent technological developments in ophthalmology and their impact on demand for and delivery of ophthalmic day surgery  
**Richard Smith (Australia)**
- 11.15am A hospital architect reviews experience in design of ophthalmic day surgery centres  
**Anthony Vavayis (Australia)**
- 11.30am Forefront and future developments in ophthalmology  
**Jim McAlister (Australia)**
- 11.45am Upper aero-digestive tract operations in day surgery  
**Darcy Economos (Australia)**
- 12 noon The increasing scope of oral and maxillofacial surgical procedures in day surgeries  
**Howard Sandler (Australia)**
- 12.15pm Questions

11.00am – 12.30pm  
Room: Great Hall 1

### CONCURRENT SESSION – NURSING Challenges: the Very Young and the Very Old

Chair: Mark Mitchell (United Kingdom) and Michelle Hambridge (Australia)

- 11.00am Practical paediatrics: nursing children in adult centres  
**Priscilla Guy (Australia)**
- 11.20am The 'good' and the 'not so good' when experiencing day surgery as an older person  
**Lenore Rhodes (Australia)**
- 11.30am Day surgery facilities for elderly patients: which structural requirements?  
**Maurizio Costantini (Italy)**
- 11.40am Designing centres that cater for both the very old and very young  
**Elizabeth Rankin (Australia)**
- 11.50am Panel Questions  
- **Priscilla Guy (Australia)**  
- **Elizabeth Rankin (Australia)**

11.00am – 12.30pm  
Room: M3

### CONCURRENT SESSION – MANAGEMENT Managing Quality Assessment in Day Surgery

Chair: Dorrit Raaschou (Denmark) and Debra Pearce (Australia)

- 11.00am Quality benchmarks in USA ambulatory surgery centres  
**Kathy Bryant (United States of America)**
- 11.15am Clinical indicators for quality assessment in day surgery  
**Paulo Lemos (Portugal)**
- 11.30am Standardisation in healthcare: the experience with ambulatory surgery  
**Dick de Jong (The Netherlands)**
- 11.45am Towards a new model of accreditation in Australia and national initiatives in safety and quality  
**Christine Gee (Australia)**
- 12.15pm Questions

11.00am – 12.30pm  
Room: M1

### CONCURRENT SESSION – COMBINED

Chair: Paul Jarrett (United Kingdom) and Patricia Goh (Australia)

- 11.00am Transanal hemorrhoidal dearterialisation: a systematic review  
**Pasquale Giordano (United Kingdom)**
- 11.12am Quality control of anti-emetic prophylaxis in day surgery  
**Sven Felsby (Denmark)**
- 11.24am The Canterbury Charity Hospital: addressing unmet clinical need in New Zealand  
**Randall Allardyce (New Zealand)**

# Program

## Sunday 5 July 2009 (cont.)

- 11.36am Effect of the one-day setting on the training of young surgeons in inguinal hernia repair  
**Kenneth Coenye (Belgium)**
- 11.48am Initiative "Doctors Help Doctors"  
**Jost Broekelmann (Germany)**
- 12 noon Questions

### 12.30pm – 1.30pm Lunch with the Industry Great Hall 3 & 4

1.30pm – 3.00pm **CONCURRENT SESSION – SAMBA**  
 Room: Great Hall 2 Presented by SAMBA (Society for Ambulatory Anesthesia)  
 Chair: Ian Jackson (United Kingdom) and John Bemelen (Australia)

- 1.30pm Post-discharge pain management  
**Girish Joshi (United States of America)**
- 1.50pm Consensus guidelines for the management of postoperative nausea and vomiting  
**T J Gan (United States of America)**
- 2.10pm Fast track recovery: making it REALLY happen  
**Beverly Philip (United States of America)**
- 2.30pm Questions

- 1.30pm – 3.00pm **CONCURRENT SESSION – SURGICAL**  
 Room: M2 Surgery and Interventional Radiology  
 Chair: Fernando Docobo Durantez (Spain) and Peter Stephenson (Australia)
- 1.30pm Day surgery for bariatric and anti-reflux operations  
**Peter Funch-Jensen (Denmark)**
- 1.45pm Obesity day surgery in one day  
**John Copp (Australia)**
- 2.00pm Venous embolizations  
**William Clark (Australia)**
- 2.15pm Percutaneous vertebroplasty as day surgery  
**Albert Goh (Australia)**
- 2.30pm Angioplasty and stenting of leg arteries  
**William Clark (Australia)**
- 2.45pm Questions

- 1.30pm – 3.00pm **CONCURRENT SESSION – NURSING**  
 Room: Great Hall 1 Challenges: Clinical Excellence  
 Chair: Kathy Bryant (United States of America) and Michelle Birks (Australia)
- 1.30pm Correct site surgery – how do we manage this?  
**Jill Solly (United Kingdom)**
- 1.55pm Pain management – destiny or disaster?  
**Trudy Maunsell (Australia)**
- 2.20pm Management of postoperative nausea and vomiting (PONV)  
**Anil Gupta (Sweden)**
- 2.45pm Panel questions
  - **Jill Solly (United Kingdom)**
  - **Trudy Maunsell (Australia)**
  - **Anil Gupta (Sweden)**

## Sunday 5 July 2009 (cont.)

1.30pm – 3.00pm  
Room: M3

### CONCURRENT SESSION – MANAGEMENT Alternative Models of Ambulatory Care

Chair: Kathryn McGoldrick (United States of America) and Elise Bryant (Australia)

1.30pm

Limited care accommodation (medi-motels) for the expansion of day surgery  
in rural and remote areas  
William Mackie (Australia)

1.50pm

Medi-motels in Norway – a long term experience  
Jorgen Nordentoft (Norway)

2.10pm

Bendigo Day Surgery “state of art free standing day surgery”  
Ann McHardy (Australia)

2.25pm

Mobile Share Day Surgery in New Zealand  
Stuart Gowland (New Zealand)

2.45pm

Office based surgery – what are the limits?  
Richard Barnett (Australia)

3.00pm – 3.30pm

Afternoon Tea with the Industry Great Hall 3 & 4

3.30pm – 5.00pm  
Room: Great Hall 1

### PLENARY How Will Medical Practitioners and Nurses be Trained in the Future?

Chair: Paul Baskerville (United Kingdom) and William Mackie (Australia)

3.30pm

Utilising day surgery centres/units for undergraduate medical education – a matter of urgency!  
Lindsay Roberts (Australia)

3.45pm

Nurse practitioner training in day surgeries  
Elise Bryant (Australia)

4.00pm

Continuing education of perioperative nurses in ambulatory surgery: identifying future needs  
based on current trends  
Brigid Gillespie (Australia)

4.15pm

Future training of anesthesiologists in the United States of America  
Kathryn McGoldrick (United States of America)

4.30pm

Training of Royal Australian Air Force (RAAF) medical assistants in day surgery  
Amanda Banks (Australia)

4.45pm

Questions

# Program

## Monday 6 July 2009

- 8.30am – 10.30am **PLENARY**  
Room: Great Hall 1  
**Horizons of Ambulatory Surgery**  
Chair: Raafat Hannallah (United States of America) and Wendy Adams (Australia)
- 8.30am Is there anything that anaesthetists can't do?  
Anil Gupta (Sweden)
- 8.45am The influence of politics in the future of day surgery  
Carlo Castoro (Italy)
- 9.00am Day surgery in the Asia Pacific region – half the world's population. How can it be achieved?  
James Kong (Hong Kong)
- 9.15am International survey  
Claus Toftgaard (Denmark)
- 9.30am Ambulatory surgery in the United States of America – where will it end?  
Kathy Bryant (United States of America)
- 9.45am Questions
- 10.30am – 11.00am **Morning Tea with the Industry** Great Hall 3 & 4
- 11.00am – 12.30pm **PLENARY**  
Room: Great Hall 1  
**Open Forum**  
**The Challenge of Bureaucracy – A Global Perspective**  
The forum will be conducted as a series of rapid fire questions to panel members with a single issue or statement by the Chair. Issues to be discussed:  
Funding, Case Mix, Benchmarking, Credentialling/ Accreditation, Extended Care Facilities.  
Chair: Hugh Bartholomeusz (Australia)  
Panel: Wendy Adams (Australia)  
Jost Broekelmann (Germany)  
Raafat Hannallah (United States of America)  
James Kong (Hong Kong)  
Paulo Lemos (Portugal)  
Gamal Mohamed (Hungary)  
Elizabeth Rankin (Australia)  
Lindsay Roberts (Australia)  
Naresh Row (India)  
Jill Solly (United Kingdom)
- 11.00am
- 12.10am Invitation to the 9th International Congress on Ambulatory Surgery, Copenhagen, 2011  
Claus Toftgaard, President Local Organising Committee (Denmark)
- 12.25pm Closing Ceremony  
Elliot Rubinstein, Chairman Australian Day Surgery Council (Australia)
- 12.30pm – 1.30pm **Farewell Lunch** Great Hall 3 & 4

*NOTE: The above meeting program is correct at the time of printing.  
However the Organising Committee reserves the right to change the program without notice.*
