

FINAL PROGRAMME

The 10th International Congress of the International Association For Ambulatory Surgery (IAAS), as in the previous years was granted **15 European CME credits (ECMEC)**

IAAS 10th **International Congress** **on Ambulatory Surgery**

Budapest, Hungary
5-8 May, 2013

www.iaas2013congress.com

*for the Development & Expansion
of Ambulatory Surgery*

**Multidiszciplináris Egynapos Sebészeti Társaság
XI. Kongresszusa és továbbképző tanfolyama**

DEAR COLLEAGUES AND FRIENDS,

The next IAAS International congress on Ambulatory Surgery will be held in 5-8 May, 2013, Budapest, Hungary, and organized by the IAAS youngest Full Member, the Hungarian Association For Ambulatory Surgery (HAAS), the thing that we are proud of. This event will mark the tenth anniversary in the History of IAAS Congresses. The IAAS initial objective is to encourage the development and expansion of high quality surgery and to promote education and research in the subject. This initiative is the same aim of our Congress, and we will invite an impressive array of international experts on day surgery to present the up to date knowledge of this subject. Our Congress will be held in our beautiful city of Budapest, the capital of Hungary, which is famous of its hospitality, city tours and gastronomy. Whenever you need more information, please do feel free contact us anytime.

Hoping to see you in Hungary,

Gamal Eldin Mohamed MD, PhD

**President,
Hungarian Association for Ambulatory Surgery
President, 10th IAAS 2013 Congress
IAAS Executive Committee Member**

The 10th International Congress of the International Association For Ambulatory Surgery (IAAS) (Budapest, Hungary, 5.-8.05.2013), as in the previous years was granted **15 European CME credits (ECMEC)** by the European Accreditation Council for Continuing Medical Education (EACCME). **Event code: 8770**

The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

10th IAAS 2013
Budapest, Hungary

IAAS Executive Committee

President: Carlo Castoro
Wendy Adams
Jost Brökelmann
Fernando Docobo
J.H. Eshuis
Ian Jackson
Jan Jakobsson
Kathryn E. McGoldrick
Gamal Eldin Mohamed
Paulo Lemos
Luc Van Outryve
Beverly Philip
Claus Toftgaard

International Organising Committee

President: Gamal Eldin Mohamed
Wendy Adams
Jost Brökelmann
Carlo Castoro
Fernando Docobo
Jan. H. Eshuis
Ian Jackson
Mária Janecskó
Luc Van Outryve
Naresh Row
József Sándor
Tomoshige Shigyo
Miklós Szokoly
Róbert Tamás
Claus Toftgaard
Arnaldo Valedon

International Scientific Committee

President: Mária Janecskó
Béla Fülesdi
János Gál
György Gerő
Katalin Gombos
László Harsányi
Jan Jakobsson
Zsolt Knoll
Paulo Lemos
Douglas McWhinnie
Gamal Eldin Mohamed
Beverly Philip
Jacky Reydelet
Norihito Wada
György Wéber

Local Organising Committee

President: Gamal Eldin Mohamed
Katalin Darvas
Péter Ezer
Zsolt Göböl
Zsolt Iványi
Mária Janecskó
Attila Kovács
Attila Kovács
László Lázár
János Mészáros
Irény Mikó
Miklós Szokoly
Róbert Tamás
Barna Lajos Tóth
Orsolya Tóth

Workshops

1. CPR (training with Simulator)
2. Cataract operation techniques with simulator
3. The PRP treatment of the knee joint in day surgery

10th IAAS 2013
Budapest, Hungary

Nicoll Lecture**Room A: 09.30-10.30**09.30-11.00 *Beverly Philip (USA): The Path of Ambulatory Surgery: Roots, Trees and Stars***New "High Tech" aspects in day surgery, Keynote Lectures****Room A: 11.00-12.30**

Moderator: Gamal Eldin Mohamed

11.00-11.30 *József Sándor (Hungary): The actuality of robotic Surgery & NOTES in day surgery*11.30-12.00 *Béla Merkely (Hungary): Non-pharmacological treatment of arrhythmias (as day case procedures)*12.00-12.30 *Zoran Krivokapić (Serbia): New technical advances in proctology***Quality Issues in day Surgery (a.)****Room A: 13.30-15.00**

Moderator: Ian Jackson, Katalin Darvas

13.30-13.45 *Jan Jakobsson, Metha Bratwall (Sweden): Patient information in DS*13.45-14.00 *Ian Jackson (UK): Patient satisfaction – how to assess outcomes UK experience*14.00-14.15 *Pablo Rama-Maceiras (Spain): Job satisfaction, stress and burnout in anaesthesia: relevant topics for anaesthesiologists and healthcare managers?*14.15-14.30 *Zsolt Iványi (Hungary): The role of active surveillance and recognizing postoperative complication.*

14.30-15.00 Discussion

General surgery**Room B: 13.30-15.00**

Moderator: Douglas McWhinnie, György Wéber

13.30-13.45 *Imre Bihari (Hungary): Varicose vein surgery and application of laser techniques*13.45-14.00 *Attila Szabó (Hungary): Endovenous saphenous ablation using EVRF Radiofrequency device and Cr45i catheter, experience of 150 cases*14.00-14.15 *Douglas McWhinnie (England): Overview of emergency day surgery procedures*14.15-14.30 *Gamal Eldin Mohamed (Hungary): Laparoscopy cholecystectomy: Is it the day surgery procedure?*

14.30-15.00 Discussion

Accreditation for Day Surgery**Room C: 13.30-15.00**

Moderator: Beverly Philip

13.30-13.45 *Arnaldo Valedon (USA): Current US regulations for DS*13.45-14.00 *John Olsen (USA): A Healthcare Partnership Going Global: Accreditation and Quality*14.00-14.15 *Beverly Philip (USA):*

14.15-15.00 Discussion

Hungarian Session, Magyar Szekció**Room D: 13.30-15.00**

Moderátorok: Kovács Attila, Mészáros János

- Egynapos sebészettel kapcsolatos legújabb hivatalos állásfoglalások (NEFMI – GYEMSZI – MEST)
- Egynapos sebészet irányelvei
- Egynapos sebészet finanszírozása
- **Felkért előadások és kerekasztal megbeszélés**

Financing DS**Room E: 13.30-15.00**

Moderator: Paulo Lemos, Ákos Csomós

13.30-13.45 *Paulo Lemos (Portugal): How is day surgery being financially promoted all over the world?*13.45-14.00 *Ákos Csomós (Hungary): DS, cost benefit analysis*14.00-14.15 *Petra Baji (Hungary): Out-of-pocket patient payments for health care services in East Europe*14.15-14.30 *Gérard Parmentier (France): Funding day surgery: is it a question?*

14.30-15.00 Discussion

Free paper session - Surgical laparoscopy**Room F: 13.30-14.20**

Moderator: Fernando Docobo, Tóth Lajos Barna

13.30-13.40 *Jukka Harju (Finland): Minilaparotomy cholecystectomy with ultrasonic dissection versus laparoscopic cholecystectomy*13.40-13.50 *Ramez Antakia (UK): Day-case laparoscopic cholecystectomy, room for improvement: A Single Centre Experience*13.50-14.00 *Man Yi Chan (China): Dual Incision Laparoscopic Cholecystectomy - experience in a single centre*14.00-14.10 *Radhakrishna Patta (India): Ultra-short stay laparoscopic cholecystectomy*14.10-14.20 *Silvia Pereira (Portugal): Laparoscopic inguinal hernioplasty in day surgery***Poster session - Nursing: surgical****13.30-15.00****Chairs for round 6:** Wendy Adams, Norihito WadaP-012 *Anne Marie Schwartz Wiig (Denmark): Outpatient shoulder surgery - What is of Distinctive Importance to the Patients?*P-035 *Kjersti Mevik (Norway): Is day surgery a safe choice for cancer mammae surgeries?*P-037 *Lisbeth Brink Knudsen (Denmark): Well-being in relation to outpatient knee arthroscopy - Do the patients feel cold?***Poster session - Nursing: anesthesiology**P-008 *Pia Mohr Christensen (Denmark): Patient experiences of postoperative symptoms after Ambulatory Surgery*P-019 *Maarit Halla-Seppälä (Finland): Postoperative Pain of Corneal Transplantation Patients*P-047 *Hanne Mølgaard (Denmark): The LMA 'Best Practice' revolves around size - patients at risk of getting sore throat*P-048 *Charlotte Salvsten Skriver (Denmark): The Bieri Faces Pain Scale - Great improvement for pain management among children*P-063 *Margareta Warren-Stomberg (Sweden): Explorative study of cognitive recovery during PACU-stay: A study in four centres comparing 2 techniques for score evaluation of PoQRs cognitive questions.*P-065 *Birgitte Vestenaa (Denmark): The Influence of Mak Ventilation On Post Operative Nausea and Vomiting*P-083 *Linda Oudejans-Nanne (The Netherlands): Surgery with anaesthesia: what can the patient expect?***Quality issues in day surgery (b.)****Room A: 15.30-17.00**

Moderator: Paulo Lemos, Edit Kárpát

15.30-15.45 *Beverly Philip (US): National USA Incentives for quality in day surgery*15.45-16.00 *Naresh Row (India): Quality issues for DS in India*16.00-16.15 *Paulo Lemos (Portugal): Quality issues and indicators for DS*16.15-16.30 *André P. Wolff (The Netherlands): Peri-operative guidelines and day case surgery: why don't professionals do what they have to do?*

16.30-17.00 Discussion

Hernia repair: laparoscopic v.s. Conventional with mesh**Room B: 15.30-17.00**

Moderator: Luv Van Outryve, József Sándor

15.30-15.45 *György Wéber (Hungary): Review of hernia surgery as a day surgery procedure. Keynote lecture*15.45-16.00 *Norihito Wada (Japan): Strategies for hernia operations in DS*16.00-16.15 *Fernando Docobo (Spain): Hernia surgery and Laparoscopy*16.15-16.30 *Carlos Magalhães (Portugal): Laparoscopic inguinal hernia repair in DS*

16.30-17.00 Discussion

Perioperative optimisation of the AS patient**Room C: 15.30-17.00**

Moderator: Anna Lipp, Mária Janecskó

15.30-15.45 *Sven Felsby (Denmark): Day surgery (almost) without preoperative lab testing*15.45-16.00 *Anna Lipp (UK): Management of diabetics through DS Units*16.00-16.15 *Arnaldo Valedon (USA): Peri-operative optimisation of patients with obstructive sleep apnoea*16.15-16.30 *Kristiina Mattila (Finland): Management of elderly patients in day surgery*16.30-16.45 *János Gál (Hungary): Is patient with ischaemic heart disease an appropriate candidate for day surgery?*

16.45-17.15 Discussion

Monday - May 06, 2013

**Preoperative preparation and postoperative rehabilitation
for orthopedic patients in Day Surgery**

Room D: 15.30-17.00

Moderator: Wendy Adams, László Hangody

- 15.30-15.45 *Ibolya Mikó, Imre Szerb (Hungary)*: The importance and challenges of the pre- and postoperative rehabilitation in the musculoskeletal day surgery
- 15.45-16.00 *Zsófia Duska, Mária Horváth, Mihályné Mészáros, László Hangody (Hungary)*: Viewpoints of postoperative rehabilitation of most frequent arthroscopic procedures in the knee
- 16.00-16.15 *Edina Sziráki, Bernadett Monek (Hungary)*: The role of the aquatherapeutic methods in functional rehabilitation
- 16.15-16.30 *Viktória Dienes (Hungary)*: Rehabilitation after ACL injury
- 16.30-17.00 Discussion

Orthopaedics, arthroscopy, spinal surgery

Room E: 15.30-17.00

Moderator: Miklós Szendrői, Metha Brattwall

- 15.30-15.45 *Metha Brattwall (Sweden)*: The orthopaedic patient, arthroscopy procedures; routines, pain treatment and recovery
- 15.45-16.00 *Zsolt Knoll (Hungary)*: New treatment options in knee arthroscopic surgery
- 16.00-16.15 *László Lázár (Hungary)*: Extended indications for spinal surgery based on 1500 operations
- 16.15-16.30 *László Lázár (Hungary)*: Percutaneous laser lumbar disc surgery with 18 years follow up
- 16.30-16.45 *Rui Rangel (Portugal)*: Lumbar and cervical disc hernia, treatment in day surgery
- 16.45-17.15 Discussion

Free paper session - Day surgery activities

Room F: 15.30-16.50

Moderator: Claus Toftgaard, Bihari Imre

- 15.30-15.40 *Ali Hassan (UAE)*: Excision of infected pilonidal cyst with primary repair by limberg flap
- 15.40-15.50 *Seema Dande (India)*: Analysis of Day Surgery Gynecology in India
- 15.50-16.00 *Florentina Cadariu (Romania)*: Venous malformation - surgical treatment in "one day surgery"
- 16.00-16.10 *Nediamveetil Govinda Menon (India)*: Trials and tribulations of day surgeon in Kochi- first hundred cases
- 16.10-16.20 *Dénes Rácz (Hungary)*: Our Experiences with modified Bösch osteotomy
- 16.20-16.30 *Ulf Sigurdson (Norway)*: Ambulatory ankle fracture surgery in southeastern Norway – a safe and cost saving approach to a common injury
- 16.30-16.40 *Nanda Kishore Manoharan (India)*: Ambulatory surgery for fistula in ano
- 16.40-16.50 *Norbert Vasas (Hungary)*: Laser haemorrhoidoplasty (LHP) – with all the advantages of the day-case surgery

Poster session - Anesthesiology

15.30-16.05

Chairs for round 2: Kathy McGoldrick, Jan Jakobsson

- P-030 *Masami Sato (Japan)*: Influence of postanesthesia hypoxemia on recovery time in ambulatory electroconvulsive therapy
- P-031 *ChengShi Tham (Singapore)*: Single Syringe Propofol-Remifentanyl TIVA - A Case Series
- P-032 *Rurong Wang (China)*: Comparison of Deep Sedation and Moderate Sedation during Upper Gastrointestinal Endoscopy in Inpatients with Complications
- P-043 *Xiao Wang (China)*: Preoperative intravenous parecoxib reduce length of stay on ambulatory laparoscopic cholecystectomy
- P-060 *Pether Jildenstaal (Sweden)*: Is there a association between IL 6 levels, anaesthetic depth and POCD -a randomised trial?
- P-064 *John van Delft (Belgium)*: Chloroprocaine 6 years of experience
- P-071 *Maria Lourdes Garcia Martinez (Spain)*: Topical analgesia in plastic ambulatory surgery

Monday - May 06, 2013

Tuesday - May 07, 2013

09:00 - 10:30

**PLENARY (ROOM A):
ROUND TABLE:**
Development & expansion of day surgery in the world
Moderator: Naresh Row, László Harsányi

10:30 - 11:00

Coffee Break

ROOM A

ROOM B

ROOM C

ROOM D

ROOM E

ROOM F

11:00 - 12:00

**Day Surgery,
clinical pathways**
Moderator: Claus Toffgaard,
Ian Jackson

Organising a DS Unit
Moderator: Jan Eshuis, Paul Jarett

Free papers session

**Multi-modal concept
for the prevention of
PONV & Pain**
Moderator: Sven Felsby,
Ian Eshuis

**Education &
research**
Moderator: Carlo Castoro,
Béla Fülesdi

10th IAAS 2013
Budapest, Hungary

Development and expansion of AS in the world

Moderator: Naresh Row, László Harsányi

- 09.00-09.10 Naresh Row (Asia)
09.10-09.20 Norihito Wada (Asia)
09.20-09.30 Claus Toftgaard (Europe)
09.30-09.40 Arnaldo Valedon (USA)
09.40-09.50 Wendy Adams (Australia)
09.50-10.30 Discussion

Day Surgery, clinical pathways

Moderator: Claus Toftgaard, Ian Jackson

- 11.00-11.15 Douglas McWhinnie (UK): Pathway redesign – Getting it right
11.15-11.30 Anna Lipp (UK): Optimisation of pre assessment services
11.30-11.45 Luc Van Outryve (Belgium): Is the longest surgical pathway also the best? Surgical point of view
11.45-12.30 Discussion

Organising a DS Unit

Moderator: Jan Eshuis, Paul Jarett

- 11.00-11.15 Jan Eshuis (The Netherlands): Building a DSU
11.15-11.30 Jan Eshuis (The Netherlands): The role of the anaesthesiologist in running a DSU
11.30-11.45 Jorgen Nordentoft (Norway): Organising and building new DS unit in Denmark (according to high recommendations also by IAAS)
11.45-12.00 Ana Marcos (Portugal): Management of an AS unit
12.00-12.30 Discussion

Multi-modal concept for the prevention of PONV & Pain

Moderator: Sven Felsby, Mária Janecskó

- 11.00-11.15 Sven Felsby (Denmark): Opioid-free anaesthesia in day surgery
11.15-11.30 Mark Skues (UK): Algorithms for risk assessment in PONV
11.30-11.45 Vincente Vieira (Portugal): Portuguese Guidelines for PONV prophylaxis and treatment in AS
11.45-12.00 Paula Sarmento (Portugal): Peri-, and postoperative analgesia
12.00-12.30 Discussion

Education & research

Moderator: Carlo Castoro, Béla Fülesdi

- 11.00-11.15 Marlies Schijven (The Netherlands): Modern education techniques and simulation teaching
11.15-11.30 Béla Fülesdi (Hungary): Is one day surgery a medical speciality?
11.30-11.45 Carlo Castoro (Italy): How can "Train the Trainer" programmes enhance day surgery expansion and development?
11.45-12.00 György Wéber (Hungary): The importance of day surgery teaching at a university graduation level – is it a new challenge?
12.00-12.30 Discussion

Free paper session - Day surgery, national experiences

Moderator: Darcy Economos, László Harsányi

- 11.00-11.10 Naresh Row (India): Day Care Surgery in India: a sample study
11.10-11.20 Kenneth Coenye (Belgium): Challenges in building a new Day Surgery Centre: the Belgian situation
11.20-11.30 Florentina Cadariu (Romania): Romanian ambulatory surgery
11.30-11.40 Hongsheng Ma (China): Brief Introduction of Ambulatory surgery center of West China Hospital, Sichuan University
11.40-11.50 Ramas Jayapriya (India): Setting up a day-surgery laparoscopy unit in a developing country
11.50-12.00 Gerd-Dieter von Koschitzky (Germany): D-Arzt – a doctor specialized in work accidents in Germany and his long history of day surgery

Poster session - Surgery

Chairs for round 3: Inge Glambeck, Darcy Economos

- P-021 Luis Antonio Hidalgo Grau (Spain): Simple methods for complex anal fistula treatment in the Day Surgery Unit.
P-026 Fernando Docobo-Durantez (Spain): Day surgery laparoscopic cholecystectomy. Teaching program for residents in formation period.

Room A: 09.00-10.30

Room A: 11.00-12.30

Room B: 11.00-12.30

Room D: 11.00-12.30

Room E: 11.00-12.30

Room F: 11.00-12.00

11.00-12.00

- P-028 Fernando Docobo-Durantez (Spain): Day surgery laparoscopic cholecystectomy. Comparative analysis of two consecutive terms in a series of 1,132 patients
P-050 Alfredo Jimenez (Spain): Ambulatory anorectal surgery: experience from a series over 1200 patients
P-056 Emanuele Grasso (Italy): Surgical wound dehiscence, treatment idrofibra and silver. Case report.
P-058 Hui Ye (China): Quality Management in Ambulatory Laparoscopic Cholecystectomy - initial experience in West China Hospital
P-061 Manmal Begani (India): Modern management of haemorrhoids
P-069 Hui Ching, Harriette Ho (China): Short-term results of Percutaneous Subcutaneous Suture mesh fixation for TEP
P-073 Maria Lourdes Garcia-Martinez (Spain): Umbilicus and ambulatory surgery
P-074 Ninoslava Mitic (Serbia): Laparoscopic Treatment of acute cholecystitis - Our experience
P-094 Sérgio Neves (Portugal): ENT Adult Ambulatory Surgery: One Year Experience
P-095 Sérgio Neves (Portugal): Complications in Ambulatory Tonsillectomy/Adenoidectomy: Is there a difference between Adult and Pediatric Populations?

IAAS Operating Grant: DSDP dissemination meeting

Moderator: Goy Dargent, Ian Jackson

- 13.30-13.45 IAAS: Eastern European Year – I.A.A.S. FY2013 (Carlo Castoro)
13.45-14.00 DSDP project implementation (P. Camporese)
14.00-14.15 DSDP results and its implications (R. Gnesotto)
14.15-14.30 From DSDP project to DS indicators utilization by Member States (G. Parmentier)
14.30-14.45 Recommendations to implement DS information systems into the EU indicators framework (OCDE representative)
14.45-15:00 Discussion

New and old drugs and equipments in ambulatory anaesthesia

Moderator: Jorgen Nordentoft, Kathryn E. McGoldrick

- 13.30-13.40 Kathryn E. McGoldrick (UK): The history of ambulatory anaesthesia
13.40-13.50 Jorgen Nordentoft (Norway): Anaesthesia modality in day surgery – does the choice make any difference?
13.50-14.00 Jorgen Nordentoft (Norway): Ultrasound and daycare anaesthesia – a contraindication?
14.00-14.10 Jose Manuel Cordero Lorenzo (Spain): Supraglottic devices in ambulatory anaesthesia
14.10-14.20 Vincente Vieira (Portugal): General vs. Regional/local anaesthesia
14.20-15.00 Discussion

Proctology in day surgery

Moderator: Zoran Krivokapic

- 13.30-13.45 Bruno Roche (Switzerland)
13.45-14.00 Pavle Kasorok (Slovenia)
14.00-14.15 Jiri Hoch (Czech Republic)
14.15-14.30 Tomas Skricka (Czech Republic)
14.30-15.00 Discussion

Prevention of infection

Moderator: Jacky Reydelet, Zsolt Iványi

- 13.30-13.45 Beverly Philip (USA): Centers of Disease Control: USA Regulations for Infection Prevention
13.45-14.00 Jacky Reydelet (Germany): Protection of SSI in DS in Germany, a long effort
14.00-14.15 Wendy Adams (Australia): Perioperative antibiotic treatment or prophylaxis as a tool for the prevention of surgical infections in DS
14.15-15.00 Discussion

Hungarian Session, Magyar Szekció

Rizikó betegek vizsgálata, az előkészítés lehetősége

Moderátor: Janecskó Mária, Nagy Katalin

- Anticoagulált, thrombocytá aggregatio gátló kezelésben részesülő beteg perioperatív szempontjai
- Perioperatív fájdalomcsillapítás
- Regionális vagy általános anesztézia az egynapos sebészeten?
- Egynapos sebészet vagy meghosszabbított tartózkodás
- Felkért előadások és szabad előadások

Tuesday - May 07, 2013

Free paper session - Anesthesia for ambulatory surgery

Moderator: Kathryn E. McGoldrick, Darvas Katalin

- 13.30-13.40 *Luis Ferreira (Portugal)*: Major Out-Patient surgery under local anesthesia – 15 years experience
- 13.40-13.50 *Peter Maurer (Germany)*: Challenges in oral and maxillofacial surgery and anesthesia – ambulatory surgery in geriatric surgery
- 13.50-14.00 *Géza Cserna (Hungary)*: Regional anesthesia in The One Day Surgery Setting
- 14.00-14.10 *Agrawal Pooja Bagdi (India)*: TAP (transversus abdominis plane) block as an adjunct to general anaesthesia for excellent post-operative pain relief
- 14.10-14.20 *Alfredo Jimenez (Spain)*: Inadequate postoperative pain control in ambulatory surgery
- 14.20-14.30 *Che Yung, Kenny Wong (China)*: Summer Plan for Day GA circumcision for children
- 14.30-14.40 *Silvia Pereira (Portugal)*: Preincisional versus postincisional infiltration of local anaesthesia - Pain assessment after Lichtenstein inguinal hernioplasty
- 14.40-14.50 *Bernadett Buda (Hungary)*: Drug-induced sleep endoscopy, a useful method for the diagnosis of sleep-related breathing disorders
- 14.50-15.00 *Jean-Frédéric Andre (France)*: Ambulatory surgery in the dental office: from horace wells to now the european standards

Room F: 13.30-15.00**Poster session - Day Surgery units****Chairs for round 4:** Jost Brökelmann, Luis Hidalgo

- P-007 *Pirjo Ranta (Finland)*: Trends in Day Surgery Practice in Northern Finland: Comparing five-year-time points at Oulu University Hospital
- P-015 *Seema Dande (India)*: Day Surgery in rural India
- P-016 *Naresh Row (India)*: Analysis of Day Surgery in India: an update

13.30-14.15**Poster session - Quality/safety**

- P-013 *Tao Zhu (China)*: Effect of mobile phone short message service reminders on outpatient's satisfaction and anxiety
- P-018 *Hongsheng Ma (China)*: Ambulatory surgery medical safety and patient perception survey analysis
- P-020 *Luis Antonio Hidalgo Grau (Spain)*: General surgery department activity in the day surgery unit: Evolution of quality indicators
- P-044 *Alfredo Jimenez (Spain)*: The use of 8 indicators to measure quality in ambulatory surgery
- P-054 *Yanping Gong (China)*: Cost-effectiveness analysis of day versus inpatient surgery for tension-free Herniorrhaphy
- P-057 *Zhen You (China)*: The comparison of Ambulatory Laparoscopic cholecystectomy with In Hospital Laparoscopic cholecystectomy

Improving patient safety of hospital care through Day Surgery**DAYSAFE Satellite Meeting**

Moderator: U. Baccaglini, C. Castoro

- 15.30-15.45 DaySafe implementation (U. Baccaglini)
- 15.45-16.15 Identification of DS best practices: an European benchmarking exercise (M. Morin-Surroca, G. Bontemps)
- 16.15-17.00 Promotion of DS best practices and standards (C. Toftgaard)
- 17.00-17.15 Risk assessment and routines for Day Surgery (P. Lemos)
- 17.15-17.30 Have the EU project's outcomes generated evidence base for Policy? (G. Dargent)
- 17.30-18.00 Round Table "Quality and Safety in Day Surgery" coordinated by P. Jarrett - G. Parmentier

Room A: 15.30-18.00**Gynecology and day surgery**

Moderator: Jost Brökelmann, György Gerő

- 15.30-15.45 *Jost Brökelmann (Germany)*: Reimbursement determines site of surgery
- 15.45-16.00 *Viktor Bérczy (Hungary)*: Embolisation of the uterine artery for uterus fibroid lesions
- 16.00-16.15 *Béla Molnár (Hungary)*: Hysteroscopy as a day case procedure
- 16.15-16.30 *György Gerő (Hungary)*: Well selected gynecologic laparoscopy can be a day case procedure. Our national experience
- 16.30-16.45 *László Szalay (Hungary)*: Conisation and associated problems in DS
- 16.45-17.00 *Miklós Koppán (Hungary)*: Ambulatory procedures for female pelvic floor disorders
- 17.00-17.30 Discussion

Room B: 15.30-17.00**Patient safety, hygiene**

Moderator: Jacky Reydelet, James H. Philip

- 15.30-15.45 *László Harsányi (Hungary)*: Is LMWH necessary in Day Surgery?
- 15.45-16.00 *Ian Jackson (UK)*: Patient safety, how IT can support
- 16.00-16.15 *James H. Philip (USA)*: The preventable catastrophe: Intra-operative Patient fires
- 16.15-16.30 *Paula Sá Couto (Portugal)*: Portuguese Guidelines for thrombo-embolic prophylaxis in AS
- 16.30-17.00 Discussion

Room C: 15.30-17.00**Hungarian Session, Magyar Szekció****Szakdolgozói szekció**

Moderátor: Göböl Zsolt, Kovács Attila, Marth Krisztina

- Szakdolgozó és ko-ordinátori munka
- Egynapos sebészet, így ápolunk mi
- Egynapos sebészeti rehabilitáció
- Check-listák alkalmazása az egynapos sebészetben
- **Felkért előadások és szabad előadások**

Room D: 15.30-17.00**Current Issues in Ambulatory anesthesia SAMBA symposium**

Moderator: Beverly Philip

- 15.30-15.45 *Raafat S. Hannallah (USA)*: It is not just a tonsillectomy – the child with Obstructive Sleep Apnea
- 15.45-16.00 *Raafat S. Hannallah (USA)*: Childhood obesity: implications for ambulatory anesthesia and surgery
- 16.00-16.15 *Kathy McGoldrick (USA)*: Extremes of age: The geriatric outpatient
- 16.15-16.30 *Kathy McGoldrick (USA)*: Extremes of age: infants for ambulatory surgery
- 16.30-16.45 *Peter Glass (USA)*: SAMBA Clinical Outcome Registry (SCOR)
- 16.45-17.00 Discussion

Room E: 15.30-17.00**Free paper session - Nursing**

Moderator: Kristiina Mattila, Inge Glambeck

- 15.30-15.40 *Charlotte Voorbrood (The Netherlands)*: Single visit (one-stop) endoscopic hernia repair is feasible, efficient and highly satisfactory
- 15.40-15.50 *Meera Joshi (UK)*: Consent for cholecystectomy - Do patients really understand what we are talking about?
- 15.50-16.00 *Bai Xue (China)*: Day Surgery Scheduling as a Three-station Flow Shop Scheduling Problem
- 16.00-16.10 *Thirumamagal Pushpavalli (India)*: Trials and tribulations in organizing a perfect day surgery center in a developing country
- 16.10-16.20 *Benedikt van Loo (The Netherlands)*: Sedation for painful procedures by non-anesthesiologists
- 16.20-16.30 *Celia Leary (Australia)*: "Streamlining Day Surgery using Information Technology"
- 16.30-16.40 *Silvia Valverde (Spain)*: Ambulatory outpatient hernia surgery. Our experience in bilateral hernia repair and laparoscopic techniques
- 16.40-16.50 *Silvia Valverde (Spain)*: Ambulatory laparoscopic cholecystectomy. A review of our experience.

Room F: 15.30-16.50**Poster session - Nursing****Chairs for round 5:** Kristiina Mattila, Metha Brattwall

- P-011 *Yan Dai (China)*: Model Construction of Day Surgery in West China Hospital
- P-055 *Mary Smallbone (UK)*: The Cost Benefit Ratio of Mobile Operating Theatres for Day Surgery Management
- P-062 *Tiina Karjalainen (Finland)*: New tools for nursing student counselling
- P-080 *Anita Døfler Sørensen (Denmark)*: Patient Involvement - Feedback on impressions after daysurgery
- P-087 *Maj-Britt Tallbacka-Männistö (Finland)*: Buzz the Surgeon Bee
- P-091 *Merete Trollsås Egeland (Norway)*: Telephone follow up after ambulatory surgery - a way to improve quality of care?
- P-024 *Zhichao Li (China)*: Pediatric general ambulatory surgery analysis

15.30-16.00**Tuesday - May 07, 2013**

Wednesday - May 08, 2013

09:00 - 10:30

PLENARY (ROOM A):

Keynote lecture: The hospital of the 21th Century: Carlo Castoro

Keynote lecture: Experimental background and 21 years clinical experiences of autologous osteochondral mosaicplasty: László Hangody

Moderator: Ian Jackson

10:30 - 11:00

Coffee Break

ROOM A

ROOM B

ROOM C

ROOM D

ROOM E

ROOM F

11:00 - 11:40

History of Ambulatory Surgery as seen by Surgeons

Moderator: Paul Jarret, Gamal Eldin Mohamed

Bariatric Surgery as day surgery procedures

Moderator: Yashkov Yury

Nursing and day surgery

Moderator: Wendy Adams, Christiina Mattilla

Hungarian session

Egynapos sebészeti
intézményi és szakmai
tapasztalatok

Cataract surgery: symposium with simulators

Symposium coordinator: Katalin Gombos

Free papers session

11:40 - 12:30

13:00 -

Farewell and welcome to 2015

Keynote lecture

Moderator: Ian Jackson

Room A: 09.00-10.30

09.00-09.30 Carlo Castoro: The hospital of the 21th surgery

09.30-10.00 László Hangody: Experimental background and 21 years clinical experiences of autologous osteochondral mosaicplasty

10.00-10.30 TBA

History of Ambulatory Surgery as seen by Surgeons

Moderator: Paul Jarret, Gamal Eldin Mohamed

Room A: 11.00-12.30

11.00-11.15 Manmal Begani (India): Ancient Indian Medicine & Surgery

11.15-11.30 Jost Brökelmann (Germany): Influence of Religion on Ambulatory Surgery

11.30-11.45 Inge Glambek (Norway): History of Surgery and Education of Surgeons

11.45-12.00 Gamal Mohamed (Hungary): The History of Laparoscopy and Surgical Laparoscopy

12.00-12.15 Fernando Docobo (Spain): History of Ambulatory Surgery in Spain

12.15-12.30 Jacky Reydelet (Germany): The History of Surgery in the Mirror of Art

Bariatric Surgery as day surgery procedures

Moderator: Yashkov Yury

Room B: 11.00-12.30

- Yashkov Yury (Russia)
- Ulrich Bolder (Dortmund, Germany)
- Hjortur Gislason (Oslo, Norway)

Nursing and day surgery

Moderator: Wendy Adams, Christiina Mattilla

Room C: 11.00-12.30

11.00-11.15 Wendy Adams (Australia): The role of nurses in Day Surgery

11.15-11.30 Maria Jose Crista (Portugal): Postoperative nurse management in AS

11.45-12.30 Discussion

Hungarian Session, Magyar Szekció

Egynapos sebészet

Moderator: Szokoly Miklós, Tóth Lajos Barna

Room D: 11.00-12.30

- Intézményi és szakmai tapasztalatok
- Szabad előadások

Cataract surgery: symposium with simulators

Moderator: Katalin Gombos

Room E: 11.00-12.30

11.00-11.30 Gábor Radó (Hungary): The role of microincision vitrectomy in ambulatory surgery

11.30-12.00 Eszter Kovács (Hungary): How to improve in a cost-effective way the results of cataracts surgery in ambulatory surgery? Opportunities in positive verbal communication

12.00-12.30 Katalin Gombos (Hungary): Safety concerns of intravitreal injection (invasive ambulatory cure) in ambulatory surgery

Free paper session - Varia

Moderator: Luis Hidalgo, Rafaat Hanallah

Room F: 11.00-11.40

11.00-11.10 Alfredo Jimenez (Spain): Questionnaire surveys in ambulatory surgery. Conclusions after 13 years using questionnaires

11.10-11.20 Florentina Cadariu (Romania): Ambulatory surgery - ethic and professional aspects

11.20-11.30 Veiga Paula (Portugal): What's driving day surgery diffusion? An application to Portugal public hospitals

11.30-11.40 Marilyn ichardson-Tench (Australia): Perioperative nursing of older adults experiencing cognitive impairment in day surgery.

Poster session - Perioperative care

Chairs for round 1: Luis Hidalgo Grau, Manmal Begani

11.00-11.30

P-002 Kathryn James (UK): Same Day Admissions Following Day Case Surgery

P-006 Ren Rong Gong (China): Outcome of 3 years of protocol use for preventing Wrong Ambulatory surgery patient

P-010 Tao Zhu (China): Mobile phone short message service reminders can improve the compliance of outpatients for sedation gastrointestinal endoscopy: a randomized controlled trial

P-027 António Ferreira (Portugal): A multidisciplinary model of preoperative evaluation that decreases hospital visits before day surgery - a preliminary study

P-068 Sheela Badiger (UK): Venous thromboembolism prophylaxis in day surgery - NICELY assessed?

P-072 Maria Lourdes Garcia-Martinez (Spain): Outpatient surgery on the hand. Report of an unusual complication

10th IAAS 2013
Budapest, Hungary
